A **comprehensive menu** of Yokohama from Redwood City covering all **21** dishes and drinks can be found here on the card. Located in downtown Redwood City, this Japanese restaurant offers a varied menu that includes favorites like sushi rolls, udon, and bento boxes. While many diners praise the flavorful dishes and welcoming ambiance, opinions on food quality and value are mixed. Some highlight delicious sushi and efficient service, while others find the cooking inconsistent, with reports of undercooked tempura and average flavors. Portions are considered smaller, and pricing on the higher side, yet the restaurant remains a popular spot for families, albeit with occasional service hiccups. Overall, it's a worthy option for Japanese cuisine enthusiasts in the area.
