we've been going to kings for over 20 years and I've never had a court I didn't like. their garnels with garlic and French butter should die for, not to mention their Vietnamese fried egg rolls and their fish in a tonpot. You can never go wrong with anything you order. [read more](#). The diner and its premises are wheelchair accessible and thus reachable with a wheelchair or physical limitations. What [User](#) doesn't like about King Food Chinese And Vietnamese:

40 years ago, while we lived in galveston, 30 miles south, we drove all the way to this place for good Chinese. now the menu is half the Chinese half Vietnamese. but it's all pretty gland. unfortunately the restaurant has not been updated in many years. only two people worked Saturday night, but the hat was enough to manage the 3 tables or so by customers. hopefully, they will make some improvements before the time they are through. King Food Chinese And Vietnamese The *accomplished Asian fusion cuisine* will thrill you, the perfect balance of traditional dishes and exciting new creations will amaze!, In addition, numerous visitors look forward to enjoying traditional Vietnamese meals with the perfect hint of Southeast Asian flavor during a stop at the King Food Chinese And Vietnamese.
