I wanted to like this place since it was recommended however I ordered a tres leches birthday cake since they were known for these and was so disappointed. It didnt taste anything like tres leches and was lacking in really any flavor. I also ordered a small apple pie and received an apple tart instead. I should have gone back when I realized but didnt have the time. [read more](#). If you're desiring some **spicy South American cuisine**, you've come to the right place: delicious dishes, roasted with *fish, seafood, and meat*, though corn, beans, and potatoes are also in the menu, Particularly with the bite-sized Tapas, you can't do anything wrong, because there is something for every palate. If you want to have breakfast, a tasty brunch awaits you, the restaurant provides however also meals typical for Europe.
