A **comprehensive [menu](#) of Lucky Star Chinese** from Pearisburg covering all **22** menus and drinks can be found here on the food list. At Lucky Star, patrons can enjoy a traditional buffet featuring familiar Chinese dishes and dessert options like ice cream. While the attentive waitstaff contribute positively to the experience, recent feedback indicates a decline in food quality and a questionable reliance on disposable diningware, raising environmental concerns. Customers also noted lengthy takeout waits and limited menu diversity, with some beloved items missing. Although certain dishes, like chicken with sweet sauce and broccoli, garnered praise, many felt the overall dining experience fell short of expectations given the high price range. A push for more authentic offerings could revitalize this once-beloved establishment.
