This place is amazing! We were warmly greeted upon entering, and were given the specials and menu by an employee clearly taking pride in their place of business. The vegan options are clearly labelled and delicious! I recommend the Berkeley Vegan (pictured) but my fiance had the ZBQ and loved it. The crust is perfectly flavorful and chewy with a slightly crisp exterior. Will definitely be back! [read more](#). At Zpizza in Kennewick, [crispy_pizza](#) is baked **fresh** using a traditional method, there are also delectable [vegetarian](#) dishes in the menu. One also grills *South American* here with fresh fish, meat, as well as beans and potatoes, and you can enjoy here delicious American dishes like Burger or Barbecue.
