A **complete [menu](https://menuweb.menu) of Ichiban Buffet** from Springfield covering all **26** courses and drinks can be found here on the menu. Nestled in a cozy corner, this restaurant delivers a diverse buffet experience with a welcoming atmosphere and friendly staff. Diners appreciate the well-stocked Mongolian grill and fresh seafood options, like flavorful crayfish and beloved coconut shrimp. However, several patrons report inconsistent food temperatures and uneven quality, with some dishes, particularly the calamari, falling short. While the sushi bar garners mixed reviews for its limited selection, the attentive service and reasonable prices keep guests returning. Overall, this spot offers a decent dining experience, though some may find it worth skipping on certain menu items.
