The waiters waitresses and management were wonderful. All parking is on the street. We were there a bit after lunch and still had to walk a block and a half to get there. The food was good but the menu is either sweet or hot. I can't have either sweet or hot so I'd like to try and go back and see what their breakfast is like. Nice place Quick Service and a good menu if you can eat what's on it. [read more](#).
