What [User](#) likes about Greenies Restaurant And Bar: my man and I went to greenies for the first time. we have always led us on a Friday. the workers were very friendly, and although they were busy, they did a great job to take us. the buffalo chicken diving and garlic parmesan wings were really good! they liked to change the TV station to the game we wanted to see. will definitely be back to play a pool and check the golf simulator. burgers are good. service is good. only wish that they would clean the bar area after the closing of the customers. it does not make fun to see excess food (some of them look like it was there) and spilled drinks when they sit to enjoy their time there. overall, the bar needs a good professional cleaning and the bathrooms need a complete upgrade.
