Do not be fooled by the rustic look that this place serves first-class food. I have dined in some scrupulous restaurants in Pittsburgh and the meal I would have eaten in the log cabin could simply be served at any of them at twice the price. My steak and seafood were perfectly cooked. Absolutely delicious meal and quality-friendly service. [read more](#). The rooms in the restaurant are wheelchair accessible and can also be used with a wheelchair or physical limitations, and there is free WLAN. Various fine seafood courses are dished out by the Log Cabin from Westfield, You can also unwind at the bar with a freshly tapped beer or other alcoholic and non-alcoholic drinks. Fresh seafood, meat, as well as corn and rice are also South American grilled here, Also, the drinks menu at this place is exceptional and offers a significant and comprehensive diversity of both local and international beers, which are definitely worth a try.
