What [User](#) likes about Kai Sushi:

Just the best sushi restaurant I was in. No matter where I go, I can't find a better place. Your sushi is amazing and they are a super friendly family restaurant. [read more](#). The restaurant offers free WLAN for its guests. What

[nicole c](#) doesn't like about Kai Sushi:

Was gonna try this place for lunch today. The lady informed me it would be 15% more do actually eat there in the restaurant. Just FYI to anyone else who wants to eat there. That's just ridiculous! [read more](#). The catering service is also provided by the establishment for its guests, and **healthy Japanese dishes** are being made with lots of fresh vegetables, fish and meat. But the undisputed highlight of this place is the delightful Sushi such as Maki and Te-Maki, Furthermore, the guests love the successful combination of different dishes with new and partially experimental products - a nice example of successful Asian Fusion.
