Some of my favorite pizza in Seattle, but wow.... these olives need some work. They can't just rinse them off, dry them, throw them in some oil and then when they sell, eat some lemon on them and expect them to taste well, texture is also terrible. I'm not gonna make this \$6 mistake again. Pizza's great. Don't get the olives. [read more](#).

What [User](#) doesn't like about Via Tribunali:

Very disappointed in this place. The service was good, but the food wasn't. The expensive salad was literally uncut whole pieces of salad with dressing drizzled on top and huge pieces of cheese. The pizza was not worth the \$20. The sauce was very watery, and the small piece of toppings did not even go close to the edge. will not waste my time or money here [read more](#). **Tasty pizza** is baked hot from the oven at Via Tribunali in Seattle using a traditional method, and you can expect original Italian cuisine with classics like pizza and pasta.
