skeptical first about trying out this little almost food business, but now I will often go. some of the best catfish I had in the environment and far better than several restaurants I visited. I cooked perfectly when I grew up in the south. the whole plate I had was delicious. the prices were also surprisingly good. [read more](#). When the weather is pleasant you can also be served outside. What [User](#) doesn't like about Crispy Seafood Chicken:

First and last time I'll be coming here Very small portion for the price Long John silver taste way better Cod was a frozen breaded fish patty ,you can tell the difference from fresh to frozen foods when it comes to seafood However the owner was very nice [read more](#). Crispy Seafood Chicken from Mansfield is a good option for a bar if you want to have a *beer after work* and sit with friends or alone, and you can look forward to the tasty traditional seafood cuisine.
