I love this place absolutely. eating is great and the price is also great. I work from here on the road so that I come to lunch several times a week and the ladies are always so nice to them and make sure they have everything they need and are happy with everything. they are such sweets I would recommend 100% to eat here [read more](#).

What [User](#) doesn't like about El Taco Locco:

I wanted to try this place, I command a garnel soup and when I got it. the lid was melted in my suppe by so hot, I wasn't so crazy until I found a dam hair in it? [read more](#). Anticipate the **varied, tasty Mexican cuisine**, which is usually prepared with corn, beans and chilies (hot peppers).
