My best choice for **sushi**. I'm going straight to the **Sushi Bar** and I'm always on my way. The staff is very well informed about the menu and has suggestions that fit what your taste is at the moment and if you are lucky to board in the happy hour, you cannot beat their prices for the service and quality of their roles. Strongly beat them an attempt to give if alone, with the family or even on a date. **read more**. When the weather conditions is pleasant you can also eat outside, And into the accessible rooms also come customers with wheelchairs or physical disabilities. What **User** doesn't like about Aoki Teppanyaki And Izakaya:

Food was bland and had no taste at all. We had to add salt in order to taste something. Has its cheaper than Samauri, the food as not as good...sorry went once, will not go again. **read more**. The tasty and fresh juices listed on the drinks menu, perfectly complete the dishes of the restaurant, and you can look forward to the delicious classic **seafood** cuisine. It goes without saying that a suitable drink completes a meal; therefore this **gastropub** provides a generous range of fine and local alcoholic options, be it beer or wine, Especially fine are also the **Sushi** and specialties like Sashimi from this establishment.
