What [Aaron Gensler](#) likes about Qdoba [Mexican Eats](#):

Always greeted when I walk in. The staff are always funny and nice to talk with especially when it's slow or even when busy, they try to keep their customers happy. Fast, fun and great food. Will always come here over any other store for my Qdoba! [read more](#). What [David Ellis](#) doesn't like about Qdoba [Mexican Eats](#):

I ordered a bowl with chicken in it the other day and found more than 1 piece of completely raw chicken. I attempted to contact Qdoba about it and have yet to hear anything back. Edit. Update: I did email the address as you requested and never heard anything back. That was over 2 weeks ago. [read more](#). Anticipate the **varied, fine [Mexican](#) cuisine**, which is usually prepared with corn, beans and chilies (hot peppers).
