doesn't like about Los Mariachis [Mexican](#) Hutchinson Ks:

12.99 for Jalisco and this is what I got smh never will I ever go back here. I asked the owner himself if this was what my meal should look like for \$13 and he told me I could either pay for it and eat it or leave. He was very rude after I said I'm used to Playa Azul and how big their Jalisco plate is and told me my son my mom and I could all get out and go to Playa Azul then.. I have never experienced such horrible customer service! After I told him I will pay for my son and my mom's food and when they were done we would leave he called the police only for the police to tell him we did not have to pay for food that we did not eat. Get excited about the *diverse, fine Mexican cuisine*, which is traditionally cooked with corn, beans and chilies (hot peppers).
