like about Kikos Authentic [Mexican](#) Food:

visit the first and last time this restaurant. at the arrival we did not give menus, all other tabs got their menus from the server. After we have got our own menus from the station of the server, we have placed our order and only seen the server when it has brought our food out. server checked several times for the other 2 tabs, but never checked for us. to finish the terrible experience, their credit card processin...
