this place is excellent. I look here at a Saturday at midday and it was quite the waiting time to order, but I took this as a good sign that it was worth waiting. delicious fresh fixings paired with high quality meat and cheese, this was the best sub I had in a very long time. I have [read more](#). What [User](#) doesn't like about Biaggio's Premium Italian Hoagies:

This place smells of B/O. I've been here twice and both times it was obvious. I even have a bad sense of smell. Sandwiches are pretty good. Better than average for sure. But the sandwich shop on the other side of town is a notch above for sure. [read more](#).
