What User doesn't like about Chinelos **Mexican Food**: Ordered twice now...tacos de asada are just awful I don't know what they put in it that makes it have some weird flavor but all I can describe it as is like Indian flavor.. maybe turmeric oh my god it's so bad ugh they're like sweet and have way too much pepper When it needs none. That's all I have ordered other than that if they would make it normal it would be probably the best tacos in town. ? I'll just keep making... [read more](#). Anticipate the **varied, scrumptious Mexican cuisine**, which is usually prepared with corn, beans and chilies (hot peppers).
