What [Apple Run](#) likes about *El Tapatio*: 'Would you like some cheese with that cheese?' Lol, but seriously, nice atmosphere and friendly service. Food came out quickly and was nice and hot, no sitting under lights for this place, and the plates are huge! Chile relleno was excellent with a nice big chili. Beans are flavorful, very cheesy. Rice had lots of flavor but was a bit salty. Also the tea was bitter but otherwise we really enjoyed it. Get excited about the **diverse, scrumptious Mexican cuisine**, which is traditionally cooked with corn, beans and chilies (hot peppers), Likewise, the visitors of the establishment prefer the large selection of differing coffee and tea specialities that the establishment provides.
