26. august 2022, 11am ordered a whole chicken, roast pork and roasted rice hongkong eatery is our long time favorite place. but today a great surprise for the food we have ordered. the roasted rice seems to be missing a whole amount, completely no salt, and smaller portion with higher price. I hope that's just a one-time mistake. Hong Kong Eatery The accomplished Asian fusion cuisine will thrill you, the perfect balance of traditional dishes and exciting new creations will amaze!, Many guests find it especially great that they can try the *versatile, flavorful Chinese cuisine*. The preparation of the meals is done authentically Asian, Here, the meat is freshly **prepared** on an open flame.
