What User likes about El Angel Carniceria Taqueria: It's a nice little Hispanic Grocery and take out place. I just tucked in and got a couple of tacos to go and they were nicely presented open-faced with a little garnish of onion and radish, very tasty and quick and a good value read more. What User doesn't like about El Angel Carniceria Taqueria:
Eat saw good service was great and they were super friendly. but too expensive here because of lack of taste portion wise okay. 80 mice for 2 children n 2 adult. basically 4 sandwiches and 4 tacos without taste and silver ware is plastic so much luck cutting. Unfortunately, my last risk here will be wise, but def will come to their butcher area. read more. Look forward to the *diverse, fine Mexican* cuisine, traditionally prepared with corn, beans and chilies (hot peppers).
