I love the Flower Field. I always like to take my professional camera with me to the Flower Field to take pictures. Pictures don't do justice for what the field looks like when you are actually there. This is my second time here. It can get crowded around noon. There are food trucks for snacks and lunch. The flowers are very pretty, and the view is amazing [read more](#). The restaurant and its premises are wheelchair accessible and thus usable with a wheelchair or physiological limitations, and there is free WiFi. What [Jessica Rubiano](#) doesn't like about The Flower Fields An Evening In Full Bloom Dinner:

We went on the last day of the season so that's likely why the flowers were not as popping as anticipated. Wish they advertised tractor rides with ticket sales on line and at the door we tried getting on at the back of the fields and were told we had to buy a pass back at the front which was just a bit off putting. Would have been nice to get to ride from there then pay at the front. [read more](#). If you're desiring some zesty South American cuisine, you've come to the right place: exquisite menus, roasted with fish, seafood, and meat, though corn, beans, and potatoes are also in the menu, Don't miss the chance to eat the tasty pizza, prepared fresh in an original way. Not to be left out is the large selection of **coffee and tea specialties** in this restaurant, and you can try scrumptious American meals like Burger or Barbecue.
