In case you're craving some fiery South American cuisine, you're in the right place: delightful meals, prepared with **fish, seafood, and meat**, but also corn, beans, and potatoes are on the menu, and you can indulge in fine American meals like Burger or Barbecue. After the meal (or during it), you have the opportunity to still relax at the bar with a alcoholic or non-alcoholic drink. Of course, you also have to try the *tasty burgers*, that come with sides like fries, salads, or wedges provided.
