What [User](#) likes about Pierogi Palace: owner is super friendly. they always have some vegan pierogi ready, but can also order a OUTRAGEOUS variant to vegan pierogi when they are ready. Eat, take-out (already cooked), or cook-at-home are all good options. at \$1.50 per pierogi I can't think of a tastier cheap vegan meal than half dozens of it! [read more](#). What [Jadranka Marich](#) doesn't like about Pierogi Palace:

Just tried it for the 1st time today. So disappointing. 1st we are told you have to cook them?? No we want them ready to eat. So they get deep fried and packed and incorrectly labeled. All mixed up. Just dry doughy and bland. No onions. No butter. The egg plant tasted like nasty burned old oil. The jalapeño has no jalapeño flavor at all. [read more](#). In the Pierogi Palace from Willoughby you can enjoy dishes as they are common in Europe. In addition, the **sweet desserts** of the establishment shine not only on children's plates or in the eyes of the little guests.
