What [User](#) likes about The Daily Fix:

We made a special order for our daughter's 1st birthday party and we couldn't be happier! Madison was amazing through the entire order process. The pricing was reasonable and they were able to match our theme and colors perfectly. We got SO many compliments on how delicious the 18inch donut was and of course our daughter loved her personal smash donut. We love Daily Fix! [read more](#). You can use the WiFi of the restaurant at no extra cost. The large range of **coffee and tea specialties** makes a visit to The Daily Fix even more worthwhile, for breakfast they serve a extensive breakfast here.
