I cleave parts of a [pizza](#) with vegetables and one with vegan sausage and mushrooms, both on gluten-free crust. both were great, and I was particularly impressed by the excellent gluten-free crust. they also got their own salad with pebbles, olives and sweets, which I was able to jazz with some vegan feta since I was taken. a solid option, and I would order definitiw again! [read more](#). What [User](#) doesn't like about Mod Pizza:

I am not the biggest fan of pizza, I know, but mod is honest a great place and it has a lot of vegan, [vegetarian](#), and gluten free options including, but not limited to cauliflower crust, daiya cheese, broccoli, mushroom, and beyond the sausage (but they could only have the sausage on certain places on every case, great place [read more](#).
