You can also contact them through their website. What [User](#) likes about Happy Stony Noodle:

had the chop meat with buzz and it was great. there are some plastered vegetables that balanced the taste of the fatness that is beautiful. it is also very affordable. to eat there and also later over doordash tried and it is less affordable with online delivery. it makes more sense to go there. [read more](#). What [User](#) doesn't like about Happy

Stony Noodle:

It's traditional but not authentic. The food is americanized. I had the beef noodle soup and it was average. They didn't even provide the preserved greens for the soup. The soup base was just plain soy sauce soup...only thing good was the beef in there. We had the popcorn chicken (salt and pepper chicken) and they said they don't have a sauce for it. Every place we went to has the orange colored dipping sauce on the s... [read more](#). With the comprehensive range of **coffee and tea specialties**, a visit to Happy Stony Noodle becomes even more attractive.
