If you're hungry for some fiery South American culinary arts, this is the place to be: delightful dishes, cooked with fish, seafood delicacies, and meat, but also corn, beans, and potatoes are on the menu, Of course, you also have to try the scrumptious burgers, that come with sides like fries, salads, or wedges offered. Surely, it's also a nice event to feel like in the Wild West once, to drink and sample like the cowboys or even the bandits with a drink or two paired with onion rings and a nice tasty burger, The guests of the establishment are also thrilled with the comprehensive selection of differing **coffee and tea specialities** that the establishment offers.
