What **User** likes about Taqueria La Mexicana: Ordered the Tostada plate, pretty good but the salad part that goes on top was ice cold which made the rest of the tostada cold also. Now for a warning... beware the red sauce that comes separate. Super hot as in spicy. Wait staff very friendly and inviting. [read more](#). The diner is accessible and can therefore also be used with a wheelchair or physiological disabilities. What **User** doesn't like about Taqueria La Mexicana: good tacos. the charro bons lacked taste, but the baked kartoffel was good, although it was small. I have the bistek taco combo, consisting of 4 mais bistek tacos, baked kartoffel, carbon beans a drink for \$13! for the price it is really not worth it, but it has a trip through and I was in a hurry, so much luck next time for me as I don't really know many great taquerias in the mission area.
