What User likes about Pineda Tacos #2:

My favorite burritos!!!! And they got a strawberry drink. Me and my homies call it 'strawberry horchata ' though I don 't think it 's technically horchata. More like strawberry water or something read more. The premises on site are wheelchair accessible and can also be used with a wheelchair or physical limitations. What Sadia Mohamud doesn't like about Pineda Tacos #2:

Who ever owns that company needs to reconsider their employees, trying and procedures. I will never go there again and tell everyone that not to go there. Racially profiling customers or anybody is beyond inhumane. Service: 1/5 read more. The restaurant also offers its visitors a **catering service**, Many guests are also particularly looking forward to the **diverse, delectable Mexican** cuisine.
