Although the prices have changed, the prices unfortunately have went up. The food, stays the same. The food is made fresh, taste fresh and even if there are lots of people, you still get your order quick. The food is still hot. One of the rare places that has kept the food and service the same. If the prices ever go down, when you can get a combo burrito, a large drink for under 10 after tax and still have some chang... [read more](#). What [User](#) doesn't like about El Taco Mexicano:

all I can honestly say is that she definitely lost her mojo I was so disappointed I wish I had followed my first spirit and went to ramona's smaller portions but taste. [read more](#). Get excited about the diverse, fine Mexican cuisine, which is traditionally cooked with corn, beans and chilies (hot peppers).
