If you're craving some *spicy South American cuisine*, you've come to the right place: delicious dishes, prepared with **fish, seafood, and meat**, though corn, beans, and potatoes are also in the menu, Also, the drinks menu at this place is exceptional and offers a significant and varied variety of both local and international beers, which are definitely worth a try. You can still relax at the bar after the meal (or during it) and enjoy a alcoholic or non-alcoholic drink, and you have the opportunity to try fine American menus like **Burger or Barbecue**.
