What [User](#) doesn't like about Kambo Kitchen:

very disappointed! the ordered food comes in 20 minutes....the food came 1 1/2 hours later also after calling and asking where our food is. eating has arrived cold! boneless vomiting ribs have been burned. definitiw not worth the \$40.00 we spent. they wanted to tell them that it is not acceptable that they give something we ordered next time. never order from them again!
