best thick noodles safe with reasonable trips. I always order the bark soup and the meat as well as the suppe are always on the spot! always my place for bark soup in la! [read more](#). What [User](#) doesn't like about Blue Samurai Noodle Bistro:

Although eating that they serve is very good, I was not particularly satisfied with my server, which did not seem to be an eye on everything I asked him that is not based on eating during my order. he seemed like he was in a hurry or just didn't care for what I had to say. now, eating is very sharp and can give some people darm problems if they are not ready, but it is still good to taste, I think. [read more](#). Admirable is this small yet fine Bistro, not only for its ambiance, but also for its selection of typical, tasty meals usually at small prices, Many visitors are particularly impressed by the **versatile, flavorful Chinese cuisine**. The dishes are prepared according to typical Asian style, The guests of the establishment are also thrilled with the extensive selection of various **coffee and tea specialities** that the establishment offers.
