it sounds unlikely that a restaurant could have both the best burger and the best [sushi](#) in the opposite, and yet they both find the salty days. the menu is expansiw without being intimidated and there is no single item that disappoints. [read more](#). As a customer, you can use the WLAN of the place at no extra cost. What [User](#) doesn't like about Salty Days Fish Co.:

eating is good, but the prizes are what I would call rob. they charge \$16 for a 10-part spicy salmon roll. you better go in 5-10 minutes on the road to asaka or another [sushi](#) community to earn your money. they can get the same amount of food for half price. I would recommend that the owners try not to bend their customers, because this is only happening once for most people, I included. [read more](#).
