This place is the most amazing Taco shop in Lake Elsinore, its service is great and its quality-to-price ratio is great! I love her food and wish I could eat here every day. Definitely would recommend the California Burrito, it is large, tasteful and packed with all its best ingredients. Dive in, you get freshly made chips and salsa. [read more](#).

In nice weather you can even have something in the outdoor area. What [Ubaldo Murray](#) doesn't like about Abuela's Kitchen:

I've been driving at this place for 15 years to try today, got an breakfast burrito carne asada and ei, tortilla dry cracks falling apart. mostly kartoffel and boring were not much egg and the meat was very dry! with fat diesel. not a whole lot of taste, actually very blanching! I'm really disappointed! the burrito is great for the price. hot soße was ok. red soaked hot green was ok. [read more](#). Get excited about the **diverse, scrumptious Mexican cuisine**, which is traditionally cooked with corn, beans and chilies (hot peppers), Forbreakfast a hearty brunch is offered here.
