Great breakfast buffet with an omelet chef if you'd like something freshly made to order. Great morning drinks and the waiter was the fastest and most attentive I've ever seen. A fork dropped and he practically caught it in his hand. Our kids thought that was magical. [read more](#). The restaurant is accessible and can therefore also be used with a wheelchair or physical disabilities, and there is no-charge WiFi. What [User](#) doesn't like about Vida: \$28 Breakfast bar with standard fair. Standouts were fresh squeezed OJ , soft scrambled eggs real maple syrup. Coffee was meh, but they have oat milk fresh, really good iced tea. Inside restaurant. Enthusiastic wait staff but they kept forgetting our request. The comprehensive range of coffee and tea specialties makes a visit to Vida even more worthwhile, and you have the opportunity to try scrumptious American meals like Burger or Barbecue. You can also look forward to *fine vegetarian cuisine*, You'll find scrumptious **South American** cuisine also in the menu.
