For **changing offers**, please contact the owner of the restaurant directly. You can also contact them through their website. What [User](#) likes about First Street Cafe:

I love this little place. eating is consistently really good, but I almost always order the Dungeness-Cab and Artichoke sandwich. it's skurri! there are no fries because the cafe is in an old, historical building that apparently cannot take up frit. the service is always quite good. [read more](#). If you're craving some spicy South American cuisine, you've come to the right place: exquisite menus, prepared with fish, seafood, and meat, though corn, beans, and potatoes are also on the menu, and you have the opportunity to try fine American meals like [Burger](#) or [Barbecue](#). Not to be overlooked is also the extensive selection of **coffee and tea specialties** in this restaurant, For a snack in between, the delicious sandwiches, healthy salads, and other snacks are suitable.
