this is now an official phostopp for me in the Memphis area. very friendly staff and the pho is great. everything about eating was wonderful and the Vietnamese coffee is the bomb. everything was so good my son and I got two pho to go. in any case a supervisor. [read more](#). As a guest, you can use the WiFi of the restaurant free of charge. What **User** doesn't like about Pho 64:

Probably the worst Pho I've had in the city. They don't serve basil with the soup and the noodles are not good at all. Go to Green Bamboo Noodle House instead... it's much cleaner and tastier [read more](#). If you're in a rush, you can get delicious *Fast-Food dishes to your taste* from Pho 64 in Bartlett, freshly prepared for you in few minutes, and you can look forward to the scrumptious traditional **seafood** cuisine. The breathtaking view of numerous sights makes this restaurant worth a visit, Likewise, the guests of the establishment prefer the large variety of various **coffee and tea specialities** that the restaurant provides.
