What [User](#) doesn't like about El Castillo De Jagua:

Sometimes very slow service. The food is just ok. They give you a big portion but the food has too many condiments. Still good place to get food. Go easier on your sason...lol [read more](#). An additional service offered by the restaurant is the catering service for customers, They also present tasty **South American** cuisine to you on the menu. The savory Spanish dishes are definitely worth it in the kitchen of the restaurant, and you can try scrumptious American dishes like Burger or Barbecue.
