This place is a hidden gem right smack dab in the middle of Margaritaville. The best margaritas in town. The food is amazing and very authentic. I highly recommend to anyone who wants to go. [read more](#). The restaurant is accessible and can therefore also be used with a wheelchair or physiological disabilities, and there is complimentary WLAN. If the weather are right, you can also have something to eat outside. What [User](#) doesn't like about El Jefe Tequilas:

hostess didn't know anything. waits when the table was finished. the kitchen was plump. orders were wrong (not the fault of the waiter.) that eating was quite moderate. would have been better spided by the taco bell in the late night. I would have had 200 in my bag for the food we had flown into the mud box. [read more](#). An additional service offered by the restaurant is the *catering service* for guests, Particularly with the bite-sized Tapas, you can't do anything wrong, because there is something for every palate. After the meal (or during it), you can still relax at the bar with a alcoholic or non-alcoholic drink, Especially, many customers are looking forward to the diverse, fine [Mexican](#) cuisine.
