What User likes about Meat N Greet: ironically, they have a vegan menu and are great to receive vegan and vegetarian. the first time I went what was before the pandemic they had to ask for the vegan menu. then back in the mai, when my family went back, they had actually displayed the elements on the menu. the personal also has gluten-free and milk-free options as well read more. The restaurant and its premises are wheelchair accessible and thus usable with a wheelchair or physiological disabilities, and there is free WLAN. If the weather are right, you can also eat outside. What Sawyer Steward doesn't like about Meat N Greet:

Just moved to the area and wanted to grab dinner here. Went with my 7 year old daughter and they refused to seat us and told us we would have to sit at the bar. Every single booth was open. Ended up going to a Mexican place a few stores down and they were much more friendly. The male host was rude. Will not be going back.
