had a brightuva good time in this old school party bar. the drinks were stiff and inexpensive to sell. many attractive ladies also, but by far the best was design art on the bathroom doors (see pictures.) I think all public toilets should have that as it would solve the gender question with some lolz about it. three cheers for the rhino I will go through missoula next time. [read more](#). What [User](#) doesn't like about The Rhino:

Oh the Rhino. Total dive bar. Good beer and alcohol selection for cocktails definitely a chill, cheap college bar that stays open until 12:30 am. We went for beers after dinner and we're able to sand a decent table for the 4 of us. If you're looking for a no frills dive bar, the Rhino is definitely for you. [read more](#).
