The Menu of Casa Fiesta from **Cullman** contains about **17** different dishes and drinks. On average, you pay for a dish / drink about \$7.1. What **User** likes about Casa Fiesta:

Great food! Delicious Margaritas. Our lunch was fantastic with perfectly prepared, free salsa with warm, delicious tortillas. Our drinks arrived fast. Our food was prepared for perfection. [read more](#). What **User** doesn't like about Casa Fiesta:

Your food is great, but the service is not, especially for orders. I was charged almost \$5 more for a single order. The manager would not honor their online prices, and I asked to replace beans for rice and was calculated for an additional order of beans. Manager has no tactics about him. After I had to do with him without a resolution, I paid the higher price and my food was cold. [read more](#). Look forward to the *diverse, fine Mexican cuisine*, traditionally prepared with corn, beans and chilies (hot peppers), There are also some international menus available on the menu.
