Parsonsburg is a good place for a bar to a **cocktail after work** and be able to sit with friends or alone, Particularly with the bite-sized *Tapas*, you can't do anything wrong, because there is something for every palate.

When you're not so ravenous, you can just treat yourself to one of the fine sandwiches, a healthy salad or another snack, The light and healthy meals on the menu are also among the favorite dishes of the visitors.
