One of the best cheesesteaks I have ever had! Not only that, but they have the white sauce you usually get at hibachi restaurants. The fries were amazing as well, just what you need to pair with the cheesesteak. The vibe in the restaurant is super cool and retro, I loved every bit of it. They had classic *Dragonball z* playing on the TV in the background. I will 100% be returning and bringing my wife. [read more](#). What [Mark Rice](#) doesn't like about *Wiz Kidz Cheesesteaks*:

The food is NOT necessarily made fresh but in bulk. This means they either give you cold food or they have to heat the already cooked meat back up, in my case they gave it to me cold. Then it was defended by one of the owners that it's my opinion they should be made fresh. Also the staff pretty much stands around until the boss is around. [read more](#).
