Love chick-fil-A, I eat here all the time and it almost never fails to make me full! The thing I love the most about Chick-fil-A is how the workers always say my pleasure when you say thank you. [read more](#). You can use the WiFi of the establishment free of charge. What [User](#) doesn't like about Chick-fil-a:

In the drive through and seriously put my order in before several other but was told to follow after them in the drive through, is this not a first come first serve? Only place I've ever experienced this where the business pushes people in front of others. [read more](#).
