What [User](#) doesn't like about Denny's: I could tell they were short staffed. Service was slow. One person greeted us, took the order, served, and checked us out. Nice and efficient but overworked. Pancakes, eggs, and hash browns were great. Fries were hot. My Salmon was awful. Fish was over cooked... like dry and tasteless... and no tarter sauce. Cheese toast was cold and hard. Had to request ketchup, then bottle was empty, Probably won't be back. [read more](#).
