I have eaten here since the country Inn Shoppes site is open and continues to return for good, consistent quality.

The Joe's Special Pizza is recommended. The non-pizza entrees and appetizers are also great. The Wexford site has become more elevated in recent years, but in the last two decades the same high level of service remained. [read more](#). What [John L](#) doesn't like about Monte Cello's [Pizza](#):

Strike 3 for me. The pizza used to be above average but the last several times its been well below average. Two undercooked (raw dough undercooked) traditional pizzas and an awful Sicilian. The Sicilian is bread with sauce and a thin layer of burnt cheese that slides off entirely with the first bite. Wouldn't recommend-especially for the price. You're better off with jenos frozen or bowling alley pizza. [read more](#).
